If you have been provided with an Access Code, you may enter it in the box at the top of the page.

Quick Search

Butte Strong Fund - Capacity Building Grant Program Accepting Submissions [Apply](#)

This grant program is intended to provide a simpler process for applicants who are seeking funding for projects that are smaller in scale. Successful applications to the Butte Strong Fund - Capacity Building Program are typically for proposals requesting between \$5,000 - \$25,000 and may not exceed \$50,000.

To be eligible to receive funding, an organization must clearly show the direct benefit to Butte County community members impacted by the Camp Fire that will be achieved through their project or program and clearly demonstrate the relationship with the key area of work that the request is being submitted under.

Butte Strong Fund Accepting Submissions [Apply](#)

Grant Inquiry: To predetermine eligibility, the representative for the applying organization must submit a grant inquiry (also referred to as an LOI) by clicking apply above. Inquiries will be evaluated and responded to as quickly as possible, and if the proposal fits Butte Strong Fund priorities and guidelines, you will be invited to submit a more detailed application.

If your proposal is seeking less than \$50,000, please use the Butte Strong Fund - Capacity Building Grant Program application.

- Once you click Apply, you will now be taken to the actual application. Please fill in the application completely and note that all fields with an asterisk (*) are required. At the bottom there are three buttons, "Abandon Request" will delete your application, "Save Application" will save the application so that you may log in later and finish it, and "Submit Application" will submit the application when you are completely finished.

- If your application was successfully submitted, you will see this page. You will also receive an email stating that we have received it.

Confirmation Page

- Once you click "Continue", you will be taken back to the Applicant Dashboard, but now you see your application under "Active Requests". It will show the status of the application (submitted) and the status of the decision (undecided). You can also view your application and print it for your records.
